## 403(b) ANNUITY INVESTMENT

With the transition to on-line enrollment for Section 125 benefits, 403(b) annuity elections are now managed as a separate process. 403(b) elections are not included in the on-line enrollment. Follow the instructions on this page if you wish to start a 403(b) annuity. If you already have a 403(b) annuity through the district, you will be receiving a form through the district mail for you to make your 2016-17 election.

The District provides employees the opportunity to invest in a 403(b) account through payroll deduction. Bay Bridge Administrators manages this program for our district. Bay Bridge handles the monthly remitting to participating investment providers as well as monitors all 403(b) plan activity. This includes ensuring contributions are within legal limits, rollovers and transfers meet regulations and loans are properly administered.

Following is the list of 403(b) investment providers who may receive salary reduction contributions under the District's Plan:

Voya Retirement Insurance and Annuity Company

- Aspire Financial Services
- Metropolitan Life Insurance
- Security Benefit
- Valic
