

AF™ Whole Life Insurance

A Lifetime of Protection

Ensuring your family has protection in the event of a tragedy may be uncomfortable, but it's important to prepare for the unexpected. Your life insurance benefit can help replace your income to use for expenses like funeral costs, daily expenses, and college.

AF™ **Whole Life Insurance** provides protection for your entire life. You can take it with you to a new job and into retirement up to age 121. The premium and amount of protection stay the same as long as the policy is active, provided premiums are paid as required.

Flexibility When You Need It

By choosing a Whole Life Policy, you have flexibility to adjust your benefits when needed.

- **Cash Surrender:** You can end your policy and receive a check in the amount of your plan's current cash value. In many situations, cash surrenders may be paid tax free.¹
- **Partial Surrender:** You can withdraw a small portion of your policy's cash value in the form of cash. In exchange, the available cash value and face amount of your policy will be reduced.
- **Loans:** You can borrow against your cash value at a competitive 8% loan interest rate.

Discontinue Your Premium While Keeping Your Coverage Active

- **Same Amount of Coverage - Shorter Length of Time:** Under the **Extended Term Insurance** provision, your policy's original face amount (minus outstanding loans or accelerated benefit payments) will now only be guaranteed for a specific term of time. In addition, your premium is "paid in full" until your new extended term period expires, terminating your policy.
- **Coverage to Age 121 - Smaller Guaranteed Benefit Amount:** The **Reduced Paid-Up Provision** will reduce your original death benefit to a smaller amount. You will have lifetime coverage at a reduced benefit with no premiums. Your cash value will continue to accumulate.

¹As long as the cash surrender does not exceed the total premiums received under the policy since inception. Please consult your tax consultant for your specific situation.

Premiums and the death benefit are guaranteed to remain level for the life of the policy to age 121. Death benefits are generally paid tax free⁷.

²Issuance of the policy may depend on the answer to these questions. ³Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy and Children's Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, Accelerated Benefit Rider for Long Term Illness or Accelerated Benefit for Critical Illness Rider. ⁴Example is based on monthly non-tobacco rates for a WL14 base plan only. For specific ages, rates or face amounts, contact your American Fidelity account manager. ⁵Face amounts vary based on issue age. Issuance of coverage may be subject to responses received to a few medical questions. ⁶Provided no partial surrenders or accelerated benefits are taken. ⁷Please consult your tax advisor for your specific situation. ***In the states of AK, AR, CO, IA, KS, MN, MO, NH, OR, PA, RI, SC, TN and WI, the minimum issue age for younger employees is 18. **In the states of MO and PA, the minimum issue age for younger spouses is 18.**

Accelerated Benefit Summary and Disclosure Notice

Accelerated Benefit Summary and Disclosure Notice

THIS DOCUMENT SERVES ONLY AS A SUMMARY AND A DISCLOSURE NOTICE. PLEASE REFER TO YOUR POLICY OR RIDER FOR ACTUAL CONTRACT PROVISIONS.

THE POLICY/RIDER PROVIDES AN ACCELERATED BENEFIT OPTION. YOU SHOULD CONSULT WITH A PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING PAYMENT UNDER AN ACCELERATED BENEFIT PROVISION. BENEFITS AS SPECIFIED IN THE POLICY/RIDER WILL BE REDUCED UPON RECEIPT OF AN ACCELERATED BENEFIT PAYMENT. RECEIPT OF ACCELERATED BENEFIT PAYMENTS: 1) MAY BE TAXABLE; 2) MAY AFFECT YOUR ELIGIBILITY FOR BENEFITS UNDER STATE OR FEDERAL LAW; AND, 3) DO NOT AND ARE NOT INTENDED TO QUALIFY AS LONG-TERM CARE INSURANCE.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The maximum Accelerated Benefit varies by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Critical Illness, if this optional rider is attached to the policy;
 - 2) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
 - 3) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.

- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.
- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.

Accelerated Benefit for Critical Illness (optional rider) Prior to the payment of any Accelerated Benefit, the Insured must have a Critical Illness, which means a Heart Attack, Permanent Damage Due To A Stroke, Invasive Cancer, Major Organ Failure, or End State Renal Failure for which an Occurrence Date is confirmed by a Physician. The maximum payable is the lesser of 25% of the Eligible Proceeds, or \$50,000 if you are under age 65; or 15% of the eligible proceeds, or \$25,000 if you are age 65 or older. Premium is required to keep this rider in force.

Accelerated Benefit for Long Term Illness

 (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the Eligible Proceeds per year for two consecutive years; or \$100,000 payable in two equal annual payments up to a maximum of \$50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected and/or Critical Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.
