# From the Desk of Our Principal

Hello again!

As you know, we have recently ended the first 9-week grading period. We have had an exciting beginning to the school year and are poised for even greater things for the remainder of the year. As a parent, I feel privileged to have my own child in this school district. As a principal, I want you to know that you can feel very good about the education that your children are receiving at WRHS. Having said that, we do realize that, for some students, learning can be difficult and we are fully prepared to assist them in any way necessary. **If this is true of your child, there is still time to address challenges before the end of the semester.** I would like to share with you some of the avenues for assistance at your disposal.

If you haven't already discovered it, our Parent Portal is an excellent way to track your child's grades, discipline, attendance, lunch account balances, etc. In order to view this information, you will need an activation key which can be obtained by calling Ms. Susan Kaspar at 339-4104. Susan is my Administrative Assistant and will be happy to walk you through the process of accessing this information. Since the data in this system is updated regularly, you should be able to develop a clear picture of your child's performance. If parental monitoring doesn't address poor performance in school, I would encourage you to seek additional assistance from your child's teachers.

Teachers are available before school, after school and during other mutually agreed open times for additional remediation. Teachers are in their classrooms by 7:30 AM and, in most cases, until 3:30 PM. Obviously, teachers who also serve as coaches would not be available after school, but are more than willing to make arrangements with your son or daughter for extra help before school. If you find that your child needs additional help, I would encourage you to contact your child's counselor. For your convenience, I have listed them below.

**Leslie Fischer (339-4117):** Responsible for students whose last names are A-D

**Keith Wetzel (339-4116):** Responsible for students whose last names are E-J

**Stephanie Berkhalter (339-4103):** Responsible for students whose last names are K-O

**Michelle Pegram-Caporusso (339-4911):** Responsible for students whose last names are P-T

**Marie Coates (339-4118):** Student Services

**Marcie Frederickson (339-4115):** Responsible for students whose last names are U-Z, International Baccalaureate, Student Services-Gifted

**Greg Fallon (339-4119):** Responsible for students in Alternative Education – B3 School

Our counselors are more than willing to provide assistance in other ways in order to help your child reach his/her academic goals. A multitude of services exist at WRHS that the counselors can help coordinate with you and your child. If individual attention from the teacher and other interventions proves ineffective in solving your challenges, your child may be referred for further intervention through our Student Intervention Team (SIT). The SIT is a group of trained educational professionals, and you, of course, who will conduct a comprehensive analysis of your child's academic progress and habits. After the evaluation is complete, intervention may be recommended to address academic performance issues. Fortunately, most problems can be effectively resolved through this process. For those that are not, our counselors will be happy to discuss more aggressive options with you.

It is our mission to ensure that every student learns to the best of his/her ability. Please do not be the least bit hesitant about letting us know how we can assist you.

Best,

A handwritten signature in black ink that reads "Ed Raines". The signature is stylized and cursive.

## Second Semester Schedule Changes

In November, counselors will work to fill second semester gaps for grades 9-11. Students should email their counselor to discuss scheduling concerns and issues. Please note that schedules are tentative until the first day of school.

## Freshmen 4 Year Planning

The Class of 2027 will create a tentative 4 year plan in Naviance during advisory. This is an important component of their Individual Plan of Study as mandated by the State of Kansas. Please note this is a tentative plan and will be revised during spring pre-enrollment. We encourage families to work together to create a plan which will help students set goals and aspire to maximize their potential. We hope students will explore our wide range of opportunities available including but not limited to: Career and Technical Education, Washburn Institute of Technology, Washburn University Dual Credit Courses, Honors and Advanced Placement Courses, and the International Baccalaureate Diploma Program.

## Senior Meetings

During the month of October, counselors met individually with all seniors to discuss postsecondary planning. As we all know, the Class of 2024 is an impressive group of young people. Whether off to the military, workforce, technical college, college, or other pursuits, our students have ambitious goals and we look forward to watching them succeed. As the year progresses, please continue to reach out to your school counselor with questions regarding the transition beyond high school.

## Volunteer Opportunities

Many volunteer opportunities exist in Topeka. We encourage students to engage in our community and contribute to the many organizations in our community that invite teen volunteers to join them. A list of potential opportunities can be found [HERE](#).

## Positive Relationships for Teens

The American School Counselor Association recommends the CDC program [Dating Matters](#) for parents of teens. This program helps parents support healthy teenage dating relationships.

# ◆ Air Force JROTC

Air Force JROTC at Washburn Rural High School is celebrating its 11th year. Most people think Air Force JROTC is a military preparation class, but that's not exactly what they are. They are a citizenship and character building program. They emphasize the importance of being an active member of your local, national, and global communities: while learning about aerospace, air force history, financial management, leadership and wellness. They are a Distinguished Unit with Merit, meaning they are in the top 15% of Air Force JROTC units worldwide.

They are a class, an activity, and sport. The students compete in academic bowl, drill, and marksmanship with students around the globe. In the past year the students experienced the curriculum in action by traveling to Patrick Space Force Base Florida, the Kennedy Space Center, Universal Studios and even witnessed a SpaceX launch in person, and they have flown aerial refueling missions with the local Air National Guard Unit for the last two years.

Most importantly, they are passionate about serving the community we live in, performing more than 2,500 hours of community service last year. They have already performed over 500 hours of community service this school year, performing color guard and honor guard duties for local organizations and WRHS sporting events. They have supported the VFW in their annual Hand Up Stand Up motorcycle ride and two of our district elementary school's fall carnivals.

As you can see there is plenty going on in AFJROTC. They have something for everyone whether you are interested in military education, travel, or serving your community while earning PE and history elective credits. # ◆ Career and Technical Education

The school year is off to a great start. CTE Construction is moving right along. Teachers continue to work with HTK to finalize the design and equipment placement. Last week CTE students and staff took a moment to sign the last steel beam to be hung in the new center.

# ◆ Career and Technical Education

**2023 CTE Teacher Grants Received!** The following CTE teachers applied and were awarded grant funding from the Auburn-Washburn Foundation:

**Haley Schmitz, CuCubelets Coding Pack** The Cubelets Pack is a great hands-on activity, maker-space activity, and learning activity for grade levels Pre-K through all high school grade levels. Cubelets are small cubes that have different actions like motion detection, moving, light, battery, etc. This pack would allow our computer science program to reach all levels of students within our district. In addition to our classrooms, Cubelets would be used at the CSHS Coding Carnival and Summer Camps

**Kim Sommers, Marketing: Sublimation Printing** The Shack is a school-based business operated by students in the Marketing career pathway. Adding the sublimation printer will allow the students to learn new skills and techniques and will expand product offerings to things like tumblers and mugs. Sublimation is a process that uses high temperatures and pressure to permanently transfer specialized ink into a variety of surfaces so the students would be able to work with more complex designs and a broader range of colors.

**Mike Steinert, Look and Feel like a Scientist** Students enrolled in Biomedical Research Lab Workplace Experience will participate in real world biomedical issues research and increase scientific literacy skills by conducting lab research that meets today's medical challenges. For the current year, the research focus is on reducing the antibiotic resistance of bacteria using bacteriophages. Thanks to the grant, students will look like professionals in their new lab coats .

**Casey Williams, Mini Crime Scene Investigation** Over the year, students learn about a variety of forensic science topics, including crime scene analysis, sketching, handwriting analysis, evidence collection, DNA processing and blood spatter analysis, among others. The grant will fund supplies to construct miniature "crime scenes," as part of their final project.

## Featured Career Cluster Information Technology

Pathway: Programming & Software Development

The Mission of Information Technology Education:

To build linkages to Information Technology occupations for entry level, technical, and professional careers related to the design, development, support and management of hardware, software, multimedia, communication, and systems integration services.

To Accomplish this Mission:

The complete Information Technology education program will support students:

- Through high quality classroom and laboratory instruction
- Development of premier leadership, personal growth, and career success
- Enhanced opportunity to build career skills

They aspire for excellence as they recruit, prepare and encourage individuals to pursue life skills through Information Technology education. They serve the community and inform them about Information Technology, the needs, opportunities and challenges, as well as provide lifelong career skills.

Information Technology programs will respond to community needs and Kansas' IT needs. It should prepare students to enter the workforce and to participate as leaders, innovators, and managers in a global economy.

Scheduled Events for the 2023-24 year:

- Summer Coding Camp - 100 students grades K-9 participated
- CyberCon Field Trip - October 4
- K-State Programming Competition taking 26 students - Nov 1
- KU High School Design Competition 2 Students competing - Oct 25
- CSHS Things:
  - CSHS - Inducting 3 new members this fall
  - Coding Carnival - coming Dec 7 for Grades K-6
  - Binary Bingo - date TBD spring

Career Technical Education (CTE) is a valuable enhancement to traditional classroom learning. It allows students to gain knowledge and hands-on experience about specific career pathways. With an emphasis on helping students be prepared to be successful in high-wage, high-demand careers, Pathways are designed to move along a continuum of career awareness, career exploration, and career readiness. WRHS offers fifteen Career Pathways. Learn more at [wrhs.net/cte](http://wrhs.net/cte)

## Career Preparation

Work-based learning provides high school students with valuable hands-on experience and exposure to real-world work environments. By participating in job shadow experiences or internships, students have the opportunity to apply the

# ◆ Career and Technical Education

knowledge and skills they learn in the classroom to practical situations. This practical experience helps students develop a deeper understanding of a career field, gain valuable industry-specific skills, and build professional networks. Work-based learning prepares high school students by equipping them with the necessary skills, knowledge, and confidence to succeed in the workforce after graduation.

## Certificates and Industry Recognized Credentials

[YouScience](#) is a valuable tool for classrooms that helps students explore their interests, skills, and potential career paths. It provides personalized assessments and career recommendations based on a student's aptitudes and interests. With YouScience, students can make more informed decisions about their future education and career choices, leading to greater engagement and success in the classroom. Most CTE teachers will be offering YouScience exams in their classrooms beginning spring 2024.

[NCCER](#), or the National Center for Construction Education and Research, offers industry-recognized credentials for high school students in construction-related fields. By participating in NCCER programs, high school students can gain valuable skills and knowledge that prepare them for careers in construction and related industries. NCCER certifications provide students with a competitive edge in the job market and open doors to a wide range of opportunities in the construction industry. Students are eligible to participate this semester.

Ms. Dible is offering the [ServSafe](#) Food Handler and Manager exams in the culinary courses. These exams verify that a manager or person-in-charge has sufficient food safety knowledge to protect the public from food borne illness, ensures proper personal hygiene, prevents cross-contamination, controls time and temperature when handling food, and proper cleaning and sanitizing.

[Excel in CTE](#) was launched in 2012 as a plan to enhance career technical education in Kansas and better prepare high school students for college and careers. Kansas high school students qualify for state-funded college tuition in approved technical courses offered by Kansas technical and community colleges. WRHS students have the opportunity to attend [Washburn Tech](#) as part of their regular school day, or they may elect to take online courses outside of school hours.

## Resources

Naviance, [Pathful](#), and YouScience are resources available to all students and can help students explore career options, employment trends in those industries, and the training or education needed.

## Community Partners

Advisory Committees assist in the development and operation of the CTE cluster /pathway by keeping instructors up to date on industry standards and trends.

They also provide students the opportunity to build a professional network and may offer job shadow experiences or internships. Interested in serving on one of our Advisory Boards please contact Teresa Golden [goldeter@usd437.net](mailto:goldeter@usd437.net)

On October 6th, Common Grounds morning and lunch crew took a field trip to PT's Coffee and Dialogue Coffee house. PT's was born in 1993 in Topeka, Kansas, out of Jeff Taylor and Fred Polzin's simple desire for an excellent cup of coffee. Four years and two retail locations later, they began buying green coffee, roasting, and traveling to origin, forging the Direct Trade partnerships that have made them a leader in the specialty coffee industry. A simple question guides their judgments and motivates them every day: Is their coffee the best it can be?

Over 30 years in this business they've learned that it's more important to succeed on their own terms than on anyone else's, and when they focus on superior quality, from seed to cup, their business thrives.

Nearly 80% of the coffee they produce is acquired through their Direct Trade program. Exceptional coffee depends upon great partnerships, and their partners are selected for more than just their harvests—they are socially responsible and environmentally conscious.

They roast dozens of single-origin coffees and signature blends to order five days a week at their retail locations, wholesale clients, and online customers. They were named Roaster of the Year by Roast Magazine in 2009 and are among the leading roasters reviewed by industry resource Coffee Review, with nearly 50 scores of 94 and above and multiple appearances in their Top 30 Coffees of the Year—including at No. 1 in 2022!

Their wholesale operation supplies fine cafes, restaurants, hotels, grocery stores, corporate offices, and small businesses nationwide. Meanwhile, they give back to the northeastern Kansas community and to stakeholders along the global coffee supply chain with various Coffees for a Cause throughout the year.

They remain a group of explorers committed to sourcing, roasting, and drinking the best coffees in the world. They warmly invite you to join us on this journey: Sign up for our newsletter to receive updates from their roasting facility.

PT's coffee has been a partner with Common Grounds since its inception over 10 years ago! The students had a great time learning about coffee and PT's story. Without the love, it's just coffee!

"It was cool to experience the roasting process and learn how PT's Coffee runs. I didn't realize how much went into getting the coffee beans from the farmers. -Hayden Keller, Senior

Dialogue Coffee House is a coffee house located in Topeka, Kansas. The inspiration for the name Dialogue comes when thinking about the way we communicate with one another, while for some people that is by verbal exchanges, for others it may be sign language or even body language cues. Dialogue Coffee House has an employee base of adults with intellectual and developmental disabilities, giving everyone a place to be part of the conversation, without the definition of one's abilities.

Dialogue is proud and excited to give employment to those with IDD because we all long to feel valued and show our talents to the world. They hope you will join them at their coffee shop where you can laugh together, dance together, and be equals. What a great mission: To create change in everyday pace of life in a diverse culture, celebrating individuals of ALL abilities.

“It was an eye-opening experience to see the process and the hard work that goes into creating a great cup of coffee. As a DECA member it was inspiring to see Caitlyn’s success in the creation of Dialogue Coffee. While Caitlyn was at Washburn Rural she developed her idea of Dialogue Coffee into a business plan and competed at the International DECA Competition.” -Dylan Dodge, Senior

# SENIOR PORTRAITS

## Senior Portrait Specifications for Yearbook

The WRHS Yearbook staff encourages every senior to submit a senior portrait for the "People Section" of the yearbook. Portraits are due on/before the **first Friday in December**.

### **OPTION #1: Inter-State Studios**

Inter-State is the school's portrait photographer. During enrollment & on retake dates seniors may take a senior portrait at no charge to the student. The yearbook staff will have access to these images.

### **OPTION #2: Select Your Photographer & Submit Your Image**

Seniors complete this option on their own.

All images are sent electronically.

Please send the ORIGINAL (uncropped) file in JPEG format.

Email Subject: Student's first & last name.

Send your portrait file to:

**[wrhsporraits@usd437.net](mailto:wrhsporraits@usd437.net)**

(Important: send Senior Salute images in a separate email to [wrhssalutes@usd437.net](mailto:wrhssalutes@usd437.net))

While most major photography studios in the area already have these specifications, please have your photographer send a digital file that matches the following:

- Head-and-shoulders shots are preferred.
- Attire must follow school handbook.
- Plain backgrounds preferred.
- No studio imprint (I.D.)/watermark on portrait.
- Photos must be vertical (or they will be cropped to fit a vertical space).

- *Special note to photographers:*

Digital images must be 300 dpi. They can be submitted on CD or emailed to us at:

# **[wrhsporraits@usd437.net](mailto:wrhsporraits@usd437.net)**

Please note: We will post a list of seniors who HAVE turned in portraits after the deadline. The list will be posted outside the Counseling Office and announcements will be made. **Seniors are responsible** for checking the list to make sure portraits have been delivered and received by the yearbook staff.

**We cannot be responsible if we do not receive your photo.**

If you have any questions, please don't hesitate to contact the WRHS Journalism Department at 339-4252.

# Senior Salutes

It's Your Child's Senior Year!

Here's your opportunity to purchase senior salute space in the yearbook.

Senior salutes are spaces for parents, grandparents and friends to congratulate, honor and recognize their senior with photo(s) and text.

Salute sizes range from 1/8 of a page to a full page and are available in color or black & white. Custom designs can be submitted (as a JPEG), or you may choose from one of the prepared layouts on the attached pages.

To order a salute: (1) detach and fill out the form below.

(2) gather your pictures.

\*Do not cut photos.

\*Do not submit wallet-sized senior pictures: (these often have a texture on them which makes them difficult to scan) please contact your photographer and have senior salute portraits emailed to:

[wrhssalutes@usd437.net](mailto:wrhssalutes@usd437.net)

(3) Based on your layout selection, write the appropriate amount of text you'd like to appear in the salute space. (Please limit any quoted text to 4 lines or 10% of original material. No song lyrics will be printed.)

**Two Ways to Send:** (Option 1): Mail these items to WRHS Journalism Department, Attention: Senior Salutes, 5900 SW 61st Street, Topeka, KS 66619. **If you'd like the pictures returned, simply include a self-addressed and stamped envelope, and we'll send your photos when the salute is complete.**

(Option 2): If all of your content (photos & text) is digital, email content + order form to [wrhssalutes@usd437.net](mailto:wrhssalutes@usd437.net)

\*Photos MUST be high resolution scans: 300 dpi - if not, mail original images.

**Payments must be mailed or delivered to WRHS prior to the deadline.**

**Hurry, space is limited!**

**Salutes and/or payments submitted after the deadline may not be published.**

# PTO Blues Backers November 2023

## WHO WE ARE

Blues Backers is the parent-teacher organization at Washburn Rural High School. Our purpose is to work closely with the administration at the school to support the students as well as show appreciation for the hard work of the teachers and staff. This is accomplished through volunteer time and financial support in various ways.

Blues Backers are responsible for organizing and executing a number of events and activities:

- Organizing & Hosting post-prom each year
- Fulfilling funding requests from extra-curricular activities (sports, clubs, activities)
- Providing concessions at events
- Providing hospitality lounge at school-hosted events
- Student achievement recognition
- Hosting teacher appreciation events
- Volunteering at school dances/events

## FUNDRAISING

We want to help your organization fundraise! Please check with your organization's school or parent representative to see what dates are still available to work concession stands this fall. Working concession stands are a great way for students to use real world skills and support their club or sport all while making money for their organization.

WE LOVE DONATIONS!

We continue to accept donations throughout the year for each year's post prom event. Venmo is available for purchasing items, memberships, donations, etc...

@WashburnruralHSpto

VOLUNTEERS NEEDED!

We need your help!!!

- Organize concessions, staff appreciation, and post-prom
- Fill board positions: Shadow a current board member and see if the position could be right for you.
- Attend PTO Meetings: We are always seeking new ideas!
- We need several members to help out with Post-Prom Chairs

Post-prom and concession stands cannot run without more help! Please strongly consider helping your board members out!

Meetings are held the 2nd Wednesday of each month. You are welcome to bring friends!

NEXT MEETING:  
WEDNESDAY, NOVEMBER 8TH
